The Capel Horticultural Society invite all children of infant and primary school age living in the Capel area to take part in their Summer Activity Challenge during the summer holidays 2021. We hope you will have fun getting out and about, discovering and doing, finding and making.

Name

Who is it for?

If you are aged 4 to 11 and would like to have some fun out of doors this summer here are some challenges for you to do.

What do we need to do?

As you complete the challenges, keep a record of what you have done, in whatever way you like and bring all your completed challenges or the evidence you have done them to the Parish Hall on September 18th between 9am and 11am. Use a mobile phone to take photos of all those things that won't keep until September and to prove you have done the challenges.
